Question #16: YOUR CONSTRUCTIVE COMMENTS ON YOUR TA’S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- The class was very easy so going to his office hours were not necessary. But he did offer to give us help with any other math class other than Math 104.

- Chris is very friendly and definitely doing a great job as a TA for this class. He returns our homework assignments and quizzes in a timely manner giving feedback common mistakes.

- Easy to approach and uses great clarity in his lectures. Was very helpful in summarizing materials learned in class and even in showing us more complicated relevant materials. A great teaching assistant overall.

- Awesome teacher has good real-life applications. Has a good way to keep students on track with this class because it does get boring to a lot of students because it's simple.

- Excellent TA and very caring
