To repeat a statement in an earlier posting, if you want information about the grade, send me an electronic message at the usual address. If you wish to pick up your final exam, you may do so; it is only necessary to arrange for a time when I will be in my office (probably some time next quarter is better).

Appeals regarding the grading of this examination will be considered through the end of January or in compliance with University regulations. As usual, it is better if written comments are placed on the examination indicating the problems to be reconsidered. BRIEF and OBJECTIVE statements about specific issues may be included.
