UPDATED GENERAL INFORMATION — FEBRUARY 4, 2004

Here are the results for the first examination (P = total points possible):

GRADE CUTOFF POINTS

P:	100
A:	80
B:	59
C:	43
D:	25

The median score was in the mid sixties, and the average was slightly lower. Requests for reconsideration must be submitted in writing no later than one week after the return of the examination papers. Any explanations of reasons should be brief and deal with the specific mathematical points involved. Solutions for the examination problems will be posted in the file `exam1a.pdf` in the course directory. Solutions for some of the additional exercises in the third set will be posted in the file `solutions3.pdf` in the course directory.

Here is the fourth homework assignment, which is due in class on **Friday, February 13, 2004.** "F&B" refers to the course text by Fraleigh and Beauregard.
