UPDATED GENERAL INFORMATION — MARCH 12, 2004

Here is some further information on my availability during the week of March 15:

I shall be available in my office (SURGE 221) on **Thursday, March 18**, from about **9:30 A. M.** until about **2:30 P. M.**, with time out for lunch roughly between 11:30 and 12:45. If these hours are difficult or impossible, other times can probably be arranged on an individual basis (send me an electronic message at `schultz@math,ucr,edu`).

Information on final grades will be available by 1 P. M. on Monday, March 22. If you want to be notified about your grade(s) for the course, please submit a written request with either a self addressed postal card or an electronic mail address (or possibly some other option that might be able to agree upon).
