

UPDATED GENERAL INFORMATION — NOVEMBER 15, 2013

There are two unrelated items.

Official records for scores on quizzes and examinations

Some concerns have been raised regarding changed examination grades not yet being posted on the University's **iLearn** system. In this course the instructor's official course records are not on **iLearn** but instead are kept on another spreadsheet, and all changes have been recorded there.

Further information regarding the second quiz

Due to the extremely large time gap between discussion sections there will be different problems on the quizzes for each section. Here is one hint that should prove useful for at least one of the problems: **The terminology and conclusions of Corollary III.2.12 should be thoroughly understood.**
