

FIGURES FOR SOLUTIONS TO SELECTED EXERCISES

I : Topics from linear algebra

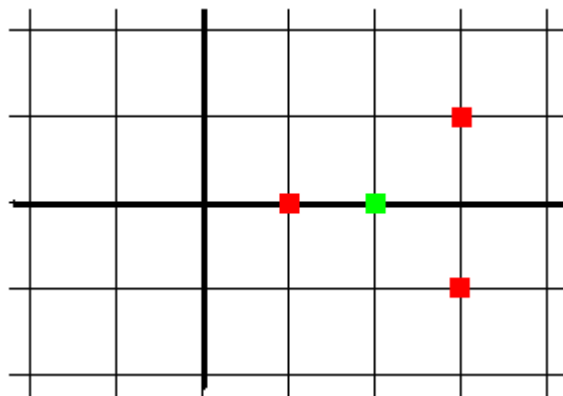

I.4 : Barycentric coordinates

I.4.1.

The points **a**, **b**, **c** are marked in red, and the points whose barycentric coordinates are to be found are marked in green.

I.4.11.

The points **(1, 0)**, **(3, 1)**, and **(3, -1)** are marked in red, and the point **(2, 0)**, whose barycentric coordinates are to be found, is marked in green.
