<u>Notes.</u> The first examination will cover material through Section II.5, the second will cover material from Section III.1 through III.6, and the final examination will be split, with about two fifths covering material from Section V.3 through V.7, and the rest on earlier material; current plans are for the final examination to be twice as long as the in – class examinations, but students will have three hours to complete this exam. Topics in Sections V.5 – V.7 will be tested mainly on a true – false or multiple choice basis.

Discussion sections. Thursdays at 8 AM and 10 AM.

<u>*Quiz schedule.*</u> As posted. Tentatively the dates are 10/11, 11/8, and 11/29. Topics to be covered on the quizzes will be announced.
