Additions and corrections to

http://math.ucr.edu/~res/math145A-2017/aabNewUpdate06.145A.w20.pdf

1. The correct date for the second quiz is **<u>Tuesday, February 18</u>.**

2. The file **http://math.ucr.edu/~res/math145A-2017/affine+convex.pdf**
   contains additional information on affine transformations and the notion of
   convexity. These concepts arise frequently in the study of geometric questions.
