UPDATED GENERAL INFORMATION — MAY 16, 2017

The second quiz

This will be taken from one of the following:

(1) One of the problems III.2.3, III.2.6 or III.2.7 from the Additional Exercises in `exercises3s15.pdf`.

(2) One of Propositions II.2.2 or II.2.5 in the course notes `math145Bnotes2.2.pdf`.

(3) The example of a non-Hausdorff quotient space on page II.2.4 of `math145Bnotes2.2.pdf`.

Typographical correction

In Additional Exercise III.2.5 from `exercises3s15.pdf`, the formula should read $\varphi_a(z) = z+a$, not $z+1$.
