Jun 8			Final Exam Due	

Examination due dates. The midterm examination will be posted between **April 29** and the beginning of the class on **May 1,** and it will be due by late in the afternoon of **May 4;** on that date there will probably be no class meeting**.** Further information will be forthcoming**.** The final examination will be posted on **June 3,** and it will be due at noon on **Wednesday, June 10.**

Discussion sections. These are as listed in the Spring **2020** *Schedule of Classes***.**

Quiz schedule. Tentatively the dates are **April 23, May 14** and **May 28** (these are all Thursdays**,** and they will take place during the discussion sections)**.** Topics to be covered on the quizzes will be announced approximately one week in advance**.**

Grade determination. The course grade will be a weighted average of the exam and quiz scores, with the final exam having the most weight; exact percentages will be given later**.**
