

## Homework assignments for Units 12 and 14

Since the exercise files for both units overlap, there is only one file for the final two units. The following exercises are ***strongly recommended***:

<http://math.ucr.edu/~res/math153-2020/exercises/math153exercises12.pdf>

<http://math.ucr.edu/~res/math153-2020/exercises/math153exercises12a.pdf>

<http://math.ucr.edu/~res/math153-2020/exercises/math153exercises12b.pdf>

<http://math.ucr.edu/~res/math153-2020/exercises/math153exercises14.pdf>

All of the listed exercises from Burton.

All of the additional exercises.

Solutions for the exercises can be found in the folder <http://math.ucr.edu/~res/math153-2020/solutions>.
