

Homework assignments for Unit 3

The following exercises are *strongly recommended*:

<http://math.ucr.edu/~res/math153-2020/exercises/math153exercises03.pdf>

All exercises from Burton that are listed and all of the Additional Exercises.

<http://math.ucr.edu/~res/math153-2020/updates2019/aabUpdate03.153.s19.pdf>

All of the Mathematical Problems. There is a misprint in Problem 4; there are actually **three** possibilities.

Solutions for the first collection of exercises are posted in the folder <http://math.ucr.edu/~res/math153-2020/solutions>, and solutions for the second are posted in the file <http://math.ucr.edu/~res/math153-2020/aabUpdate03b.153.s19.pdf>.
