

UPDATED GENERAL INFORMATION — JANUARY 25, 2008

The grade determination for the course has been changed as follows: There will be one in-class midterm examination rather than two. It is tentatively scheduled for **Friday, February 15, 2008**. There will also be a take-home assignment that will be graded, with more information to be given later. The final grade will be given by the better of the grades given by the following two options:

- (1) The in-class examination counts for $\frac{1}{3}$, and the final examination counts for $\frac{2}{3}$.
- (2) The in-class examination counts for $\frac{3}{10}$ (30%), the final examination counts for $\frac{3}{5}$ (60%), and the written assignment counts for $\frac{1}{19}$ (10%).

Reminder

Selected solutions to problems will be posted as requested. If there are some that you would like to see posted, please provide a list of such problems, either verbally or in writing (of course electronically is OK).
