**Lessons:** These are short recorded lessons covering the material we will discuss in Lecture. They will be posted on iLearn. While not graded, you are required to watch each lesson before the corresponding Lecture.

**Microtutorials:** There will be 12 Microtutorial videos posted on iLearn which will account for 20 points. 10 of the videos are required and 2 of them are for extra credit (bonus). There are two questions embedded in each video. You have only one chance to answer each question so make sure you watch the video attentively and understand the presentation before answering. If you want to review the materials you can rewind but you cannot fast forward. *The points from the quizzes will be posted to your gradebook at the end of the video. You must watch video until the very end and complete a short survey about the video to receive credit.*

## Other Policies

**Zoom Etiquette:** In order to maintain a personal connection in this digital environment, I ask everyone who can to use video/audio while attending our Zoom meetings. Regardless of where we are, when attending a Zoom meeting we should all conduct ourselves as if we were in the classroom, so dress and speak accordingly.

I will require everyone to remain on mute unless you have a question. You can ask a question in two ways: using the chat or by “raising your hand” which is an option in Zoom. With a raised hand I will unmute you and allow you to ask your question.

**Recording Policy:** The Instructor and TA’s may record all Zoom meetings, but these recordings will NOT be shared publicly. Students are not permitted to record Zoom meetings without written permission from the SDRC or Instructor.

**Make-ups:** If you miss a Quiz or Exam for a valid reason please email your TA or me as soon as you know you will miss the assignment to discuss making it up. As online learning is new for many of us, we will be flexible for submission deadlines for Quizzes and Exams.

**Accessibility:** UC Riverside is committed to providing equal access to learning opportunities to students with documented disabilities.
