

UC RIVERSIDE - Student Comments of Instructor,
Discussion Courses - Spring 2022

Course: EE 020A Section: 022 - INTRO TO ODE FOR PHY SCI
ENGR

Cross Course: MATH 045 Section: 022

Instructor: Ryan Ta

Question # 18: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- This discussion was very helpful for my course, offering me a preview of lecture material and a different way of looking and approaching the problems in class. They helped me gain an overall understanding by giving me a different perspective of the main topics while also giving me more practice problems that were easy to follow and could be utilized later for studying and to make sure I understand the content.
